Photo Shop Grading Sheet:

All 4 projects were done	15/15 (A+)
At least 3 of the 4 projects were done	14/15 (A)
Only 2 projects were done	12/15 (C)
Only 1 project was done	10/15 (D)

- Mess w/ my face (Mrs. Woodell or any teacher)
- Take a vacation
- Become "famous"
- Showing off (Best Photo Manip. You can come up with)

A wide variety of photo editing tools were used _____/5

Attention to detail (doesn't 'look photoshopped') _____/5

Creativity of the project (ideas are unique) _____/5

Work named correctly and saved as .jpg on the server _____/5

TOTAL: _____ /35

QUICK START: Getting started in Photoshop.

1) **OPEN** the Application on the Hard Drive **FIRST: Adobe Photoshop CS4**

2) **File** → **Open** → mrswoodell.jpg (or any other image 😊)

3) **CLEAR THE LOCKED BACKGROUND:**

RIGHT CLICK (Ctrl + click):

"Background" → Layer from Background

4) Show your **TOOLS** and **LAYERS** (Window → tools
Window → layers)

⌘+/⌘- =Zoom in/out

⌘T = Transform (pull corners)

⌘D = Deselect

⌘U = Hue Color changes

T = Text Tool (for typing words on image)

fx = Effects

Filter → liquify (for other cool effects)
